### *From College Leadership . . . .*

Term 3, as always, has been a busy and exciting term with lots of active learning, extra curricular activities and enthusiastic classrooms.

It is also the time when the focus turns towards finalising the learning for 2021, and planning for future learning heading into 2022.

### **Staffing**

Ms Robyn McLean has taken some extended leave for the remainder of 2021. Mr Daniel Lasscock been Acting Principal since her departure and we look forward to working with Mr Hamish McDonald as our Principal for Term 4.

Ms Desi Philippou has been appointed to the position of Wellbeing Leader (7 to 12) replacing Kimberly Walker. Desi has already begun her transition into this role and this will continue early in Term 4.

### **Year 7 to High School**

The transition process and planning for Year 7 in high school next year is well underway. Families should have received notification by now of their zoned school and the accompanying enrolment documentation. If you have a student currently in year 6 or 7 and you need assistance with completing enrolment forms, please contact our transition team on 8261 2733 ASAP.

### **Operation Flinders**

The exercise for 2021 was again a huge success and we sincerely thank all of the staff, families and financial supporters for assisting. Participants have the opportunity to challenge themselves and step out of their comfort zone which provides invaluable experience for their personal development and growth.

### **The Exchange**

Again, COVID-19 has thwarted nearly all of our attempts to host Cheltenham Secondary College for our annual Sports and Cultural Exchange. In lieu of the regular Exchange, our squad participated in a COVID CHALLENGE during the last week of Term 3, putting some of their skills to the test.

*Avenues College acknowledges and respects the traditional custodians whose ancestral lands we meet upon. We acknowledge the deep feelings of attachment and relationships of Aboriginal peoples to country. We recognise the many language groups that continue their connection to land, waters and culture across Australia and we pay our respects to their elders, past, present and emerging.*

## *From College Leadership . . . . . continued*

There is a slight chance that we may be able to get the Victorian team over at the very end of the year and facilitate a few days of competition .... Fingers crossed!

Thank you to all of the staff and billeting families who have been so patient with the scheduling, cancelling, and rescheduling. Your continuing support is what keeps this traditional event going and we could not do it without you all!

### **External School Review**

During week 2 of Term 4, our school will be evaluated via an External Review. The External School Review is an evidence-informed external evaluation of an individual school's capacity to improve student learning. It is a fundamental piece of the School Improvement Model and explicitly informs the work of school improvement in every school – supporting schools to raise student achievement and sustain high performance.

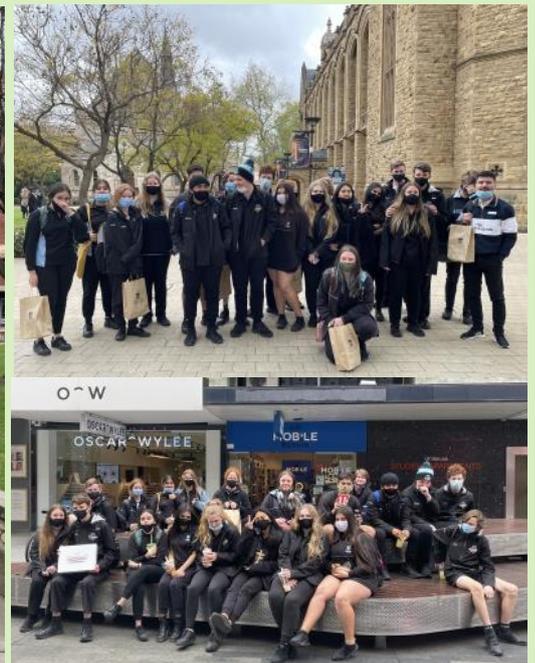

SA public schools are reviewed every 3 years to evaluate school performance and effectiveness.

Please be aware that leadership staff and teachers will have some extra demands on their time for Monday, Tuesday and Wednesday of Week 2 as they participate in the process.

We appreciate your patience and your ongoing support to make Avenues College an exciting and inspiring place to learn.

**\*\* Please take note of the 'pink' Term 4 Dates column across the page— during Term 4 we will have a School Closure Day on Monday 15 November and 2 Student Free Days Thursday and Friday 25/26 November. \*\***

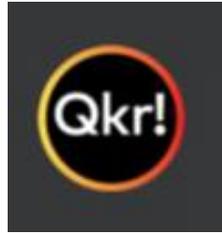

We wish our whole community a restful and safe break and look forward to finishing off 2021 with an AWESOME Term 4!

*On Tuesday of Week 10, Mr. Sagres' Year 11 and Year 12 Psychology classes with the assistance of Liane, took a trip to The University of Adelaide to participate in a Criminology Workshop as part of their Forensic Psychology unit.*

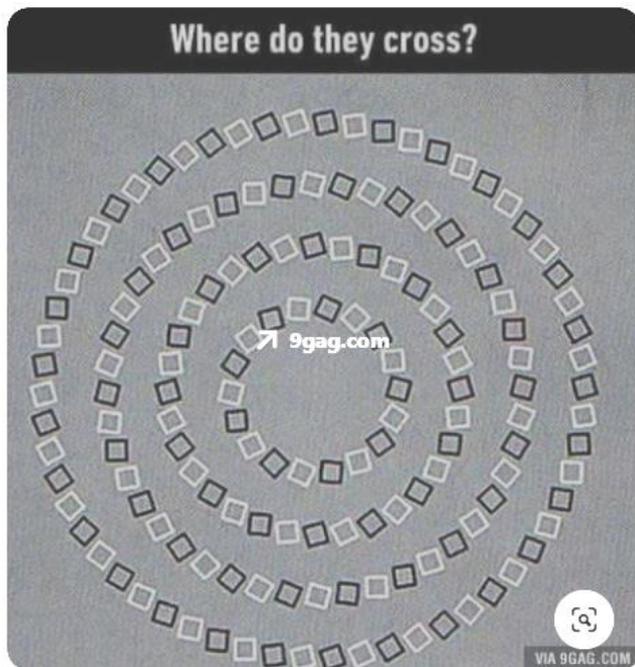

*Students learnt about the psychology behind crime, forensics, ways to prevent crime, witness testimonies, statistics, memory conformity, bullet wounds, psychopathic behaviours, and much more!*

*In addition to the workshop they all participated in a tour of the University. All students should be extremely proud with the way they represented Avenues College and contributed to a great day out!*

**Rory's School Lunches now available at the school canteen.**

We are very proud to share the news that our support staff working in the Centre of Deaf Education at Avenues College have been named ...

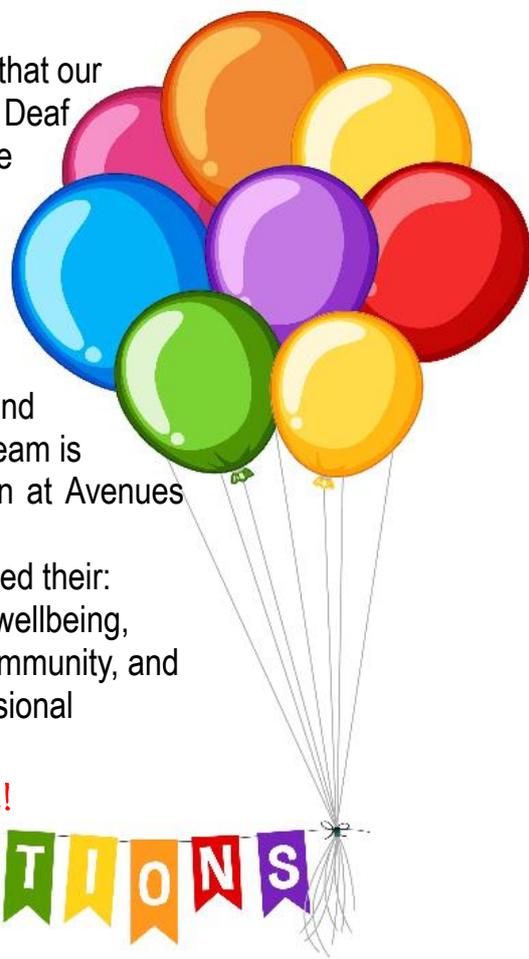

## 2021 Australian Teacher Aide Team of the Year!

This is an outstanding achievement and highlights the valuable contribution the team is making to the Centre of Deaf Education at Avenues College.

The team nomination clearly demonstrated their: positive impact on student learning and wellbeing, collaboration with colleagues and the community, and continuous improvement through professional development and training.

*Outstanding work!*

CONGRATULATIONS

## Signing Out Early??

We acknowledge that there are times when there is a requirement for parents or caregivers to sign out their children from school during the normal school day to attend medical appointments or attend to family matters.

Should you need your child to sign out early, you need to call the College, attend in person to the Front Office or write a note in the students diary (Yr7 to Yr12) to give permission. Please give a brief reason and provide your permission as early as possible to support our record keeping and to minimise disruption to the students learning arrangements.

Unfortunately we are unable to accept text messages or calls directly to the students mobile phone.

**Students signing out must do so at the Front Office (P-Yr7) or through Student Services (Yr8-12).**

# LUNCHTIME FUN IN THE LIBRARY

There are a dedicated team of staff who give up their lunchtimes to engage with students, as they participate in some fun and creative activities in the library.

During Term 3 students were invited to join colouring and art sessions, facials and nail painting, and puzzles and board games.

Term 4 has some great activities planned, including paper plane making, making your own stress balls, making stress bottles and origami.

The full program is posted in Student Services and in the Library .... Some sessions have limited numbers so get in early to book a place.

See Viv in Wellbeing or Liane in the Library for more information .... Or just come along and join the fun!

## Monday and Tuesday lunchtimes in the Library for Years 6 through 12.

## STUDENT SAFETY

Avenues College staff continually work to ensure the safety and wellbeing of all children and young people within our College community, in and around our site.

Any issues of concern regarding incidents or near misses can be reported to us via email ([dl.0906.info@schools.sa.edu.au](mailto:dl.0906.info@schools.sa.edu.au)) or directly reported to SAPOL if required.

Traffic management and the safety of children crossing roads and negotiating drop off and pick up times continues to be an area of concern, especially along McKay Avenue, either side of the 'BUSES ONLY' zone.

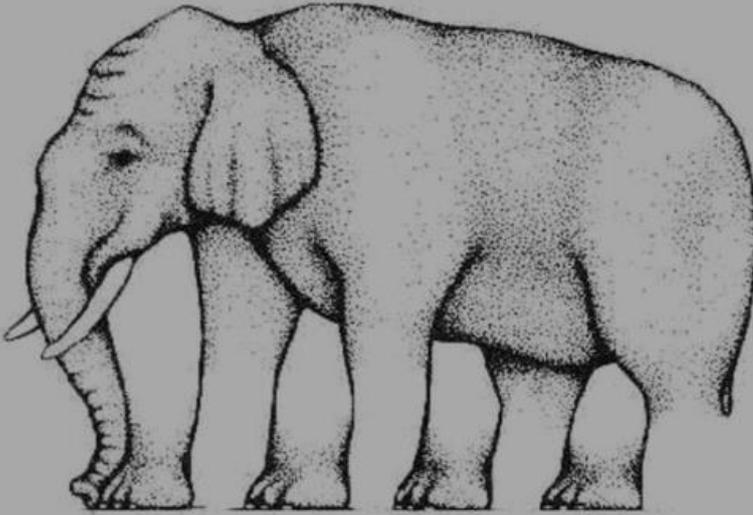

Please respect other road users by following posted parking signs, speed limits and drop zones.

Our Governing Council will continue to work with Port Adelaide Enfield Council regarding improvements and changes to support our site into the future.

There have been some concerning reports of students being approached or suspected of being 'cased' while waiting for the bus along Sudholtz Road or along Danby Avenue.

Please revisit some basic 'Stranger Danger' strategies with your children. Current staff supervision will stay vigilant and have been asked to remain at the bus stop until all students have boarded. Security patrols around the school have also been boosted.

## UNDER THE SEA EXPLORATION GAME APP

- Are you concerned about your child's posture?
- Is your child aged between 3 and 18 years of age?
- Does your child play games on a tablet?
- Are you able to commit an hour to attend the assessment venue at Maylands SA, 5069?

**If so, your child may be eligible to enrol in our study...**

For more information and to find out if your child is eligible to participate, please contact Dr. Lua Perimal-Lewis at [lua.perimal-lewis@flinders.edu.au](mailto:lua.perimal-lewis@flinders.edu.au) or call 8201 2069

### What is involved?

Your child will be asked to play a pre-loaded game on an Android Galaxy Tablet for five minutes. During the five minutes of game-play, your child will be video recorded from the side to measure their postural improvement.

## Bell Shakespeare Performances

*In Term 3, the Bell Shakespeare Company visited our college.*

*The year 9s watched 'Such Sweet Sorrow'; an abridged, high energy version of Romeo and Juliet. This was in preparation for studying this text next term, or concluding it this term.*

*The year 10s watched 'Macbeth'. All year 10 students have studied 'Macbeth' this term so it was a perfect end to this unit of work. Both year levels were engaged with the plays and proved to be excellent audience members.*

*Special thanks to Mr. Zimbardi, who stepped into the role of King Duncan - perhaps a career change from Technical Studies teacher to actor is afoot? "What's in a name???? Zim-BARD-I !! LOL!*

*Well done to everyone involved and we will see the Bell Shakespeare Company again next year!*

## Revegetation project update

The warm weather has boosted growth with many of our new plants starting to peek over the top of their protective guards. Weed maintenance to increase sun and water available to our plants has also encouraged the good growth rate.

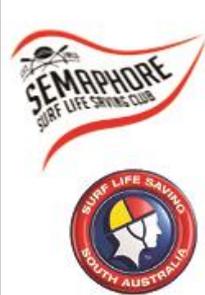

The Revegetation Lunch Group, which has welcomed some new members, and our newly formed Thursday afternoon community volunteer group, along with our Year 9/10 Land Management classes and several members of staff have been doing a great job monitoring the plants, controlling weeds and infill planting. The propagation cycle has started again with the aim for more understorey plants to be ready for planting out next year.

If you would like to volunteer to help us create this fabulous space as a resource for the whole community, please call Avenues College on 8261 2733.

**NATIONAL WEEK OF DEAF PEOPLE**

**National Week of Deaf People (NWDP)**  
20<sup>th</sup> - 26<sup>th</sup> September 2021

**What is NWDP?**

The National Week of Deaf People (NWDP) is a weeklong national celebration of Deaf individuals and the Deaf Australian community.

It is an opportunity for Deaf people to:

- Celebrate their community, language, culture and history
- Make the public aware of their local, state and national Deaf communities
- Recognise their achievements

It is also an opportunity for organisations involved with, or wishing to be involved with the Deaf Community to showcase their

services and/or products, build/maintain relationships with Deaf People and be recognised for giving Deaf people a fair go.

In both cases, the eight main information that NWDP provides are:

1. Birth right
2. Deaf identity
3. Accessibility
4. Equal language
5. Equal Employment Opportunities
6. Bilingual Education
7. Equal Participation
8. Lifelong Learning

**What's this year's theme?**

Each year the theme is chosen by the World Federation of the Deaf and all country members are encouraged to celebrate International Week of Deaf People in September.

**This year the theme is ...  
"Celebrating Thriving Deaf Communities"**

**HISTORY**

**IDENTITY**

**CULTURE**

**COMMUNITY**

**LANGUAGE**

This week we have been learning about National Week of Deaf People. We learned about the Deaf Community and Culture. You can help Deaf people by learning to sign language.

**Param Year 4**

**I love Auslan**

This week we have been learning about National Week of Deaf People. We learnt the signs for culture, community, celebration, identity and history. You should learn Auslan so you can communicate to Deaf people and can interpret to Deaf people when they need help

# The Daily Prophet

During Term 3, Mr. Sagres opened the entrance to the Leaky Cauldron, and students from the Year 8 Hyde and Nicholas classes entered Platform 9<sup>3/4</sup> to make their way to Hogwarts during their Harry Potter study in English.

Students have had the opportunity to be sorted into one of the four Hogwarts houses by our very own Sorting Hat, discovered their 'Harry Potter' names, and have been valiantly competing for House Points to win the House Cup!

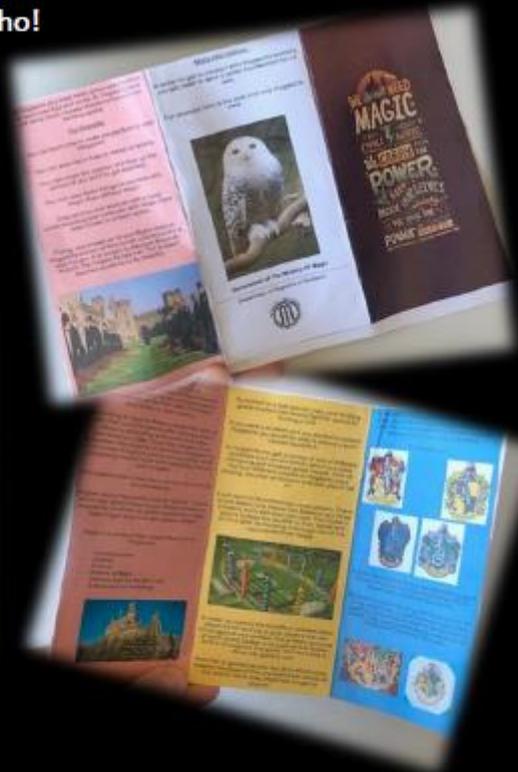

They have given their best Hagrid impersonations, and even learnt some magic, casting *Wingardium Leviosa* in the classroom, to make objects levitate! (Some with a more natural magical affinity than others...)

Both classes have done an excellent job at building confidence in reading out loud to the class, and worked closely together on their study guide to develop the necessary skills to defeat You-Know-Who!

And if you're STILL not convinced, the students are sure their Hogwarts brochures will be enough to persuade any muggle to want to enrol at Hogwarts!

Kian Dixon Luke Wyles Madison Philips Tommy Farrant

Huge **CONGRATULATIONS** to our 2021 Op Flinders team for a fantastic week in the Flinders Ranges.

With a back drop of spectacular scenery and very cold night temperatures, they endured physically exhausting days and confronted mentally challenging circumstances to develop their personal skills in teamwork, leadership, persistence and resilience.

Their participation and enthusiasm was exceptional and we are very proud of the efforts of the whole team.

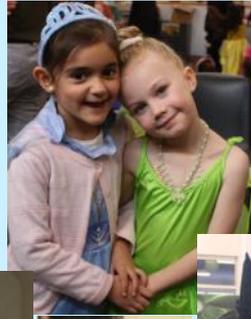

Mr Harris and Ms Walker are to be commended for mentoring the team again this year ... they hiked, carried and camped every step with the team and were excellent supports in organising the operation.

**An experience they will never forget!!**

Looking forward to sending another team in 2022!

# 2021 BOOK WEEK AT AVENUES COLLEGE

Book Week at Avenues is always exciting and full of fun and 2021 proved no different.

There were many activities, competitions, new books to explore and of course dress up day for us all to enjoy.

Deborah and Liane worked tirelessly in the Library space to create plenty of opportunities for all to interact, investigate and inspire a love of reading and listening to stories.

## Women's and Children's Health Network

August 30 at 3:23 PM · 🌐

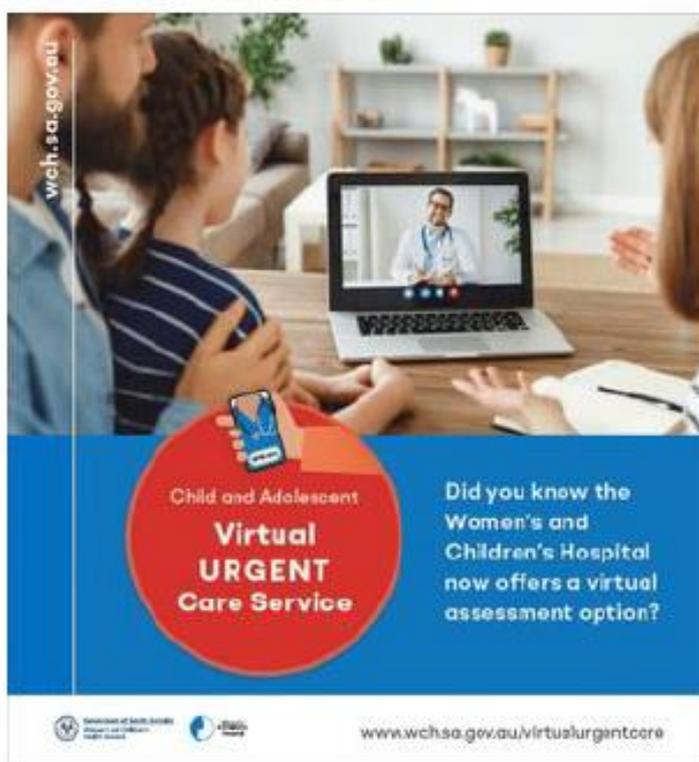

Our new virtual assessment service - the **Child and Adolescent Virtual Urgent Care Service** - is now open! From today, parents and carers of children who are well enough will have the option to access expert medical care via video link.

A visit to the Emergency Department can be daunting for children and their parents - the new service means you can access medical care no matter where you are, potentially reducing the need to visit the ED.

The service is currently available between 1pm - 8.30pm for children aged 1 to 18 with non-life threatening conditions living in Metropolitan Adelaide.

Learn more at [www.wch.sa.gov.au/virtualurgentcare](http://www.wch.sa.gov.au/virtualurgentcare).

One of the many things that 2020 and all of its challenges has highlighted for us is the importance of holding the most up to date contact information for parents, caregivers and emergency contacts.

If you have recently changed your contact details (mailing address, phone numbers or email address) or would like to update your Emergency Contacts or your student's medical information, please contact our Front Office staff on 8261 2733 or [dl.0906.info@schools.sa.edu.au](mailto:dl.0906.info@schools.sa.edu.au).

Alternatively you can access a pre-printed form on our website via the following link :
