2020 Term Four Week 9 B-12 Update

2020 AT AVENUES

This year has been full of many things that have tested our patience – COVID and building works that never seem to end being two of them; but it has also brought many things for which we can be grateful.

As the principal of Avenues College, I am constantly aware of the high quality of the staff members who support the learning of your children. They are dedicated and enthusiastic about teaching and learning – and many have learned new skills in teaching this year.

I am also grateful for the resilience that our students show, and their willingness (mostly) to give things a go

CLASS OF 2020 –

Our year 12 students have completed exams and the last couple of assignments for their SACE. I wish them all the very best for their results, and for 2021 as they head to university, TAFE, work and apprenticeships. We celebrated 13 years of schooling at our joint Presentation Evening and Year 12 Formal on Monday December 7, with a live stream of the presentations for the families that we were unable to accommodate in the venue.

STAFFING INFORMATION

At the end of the year we always have staff members to farewell.

Ms Jill Johnson will be retiring from our Arts Faculty after many years serving our community.

Ms Eleana Meliniotis has won a position much closer to home, and will be Student Wellbeing Leader at Hallett Cove R-12 School.

Mr Roy Webb is also heading to a school closer to home.

Ms Linda Edwards has won a position for one year at Hamilton Secondary College.

Mr David Bowering will return to our Music Faculty after two years in Papua New Guinea with his family.

Ms Tina Hooper is returning from maternity leave, and will re-join the Maths/ Science faculty.

Ms Desi Philippou will return to teaching Science in our middle years, and supporting our behaviour management across years 7-12.

Several staff members currently employed at Wiltja Secondary School will join the Avenues team in 2021. Some of these people are already familiar faces here, but I look forward to welcoming Daniel Lasscock (Deputy Principal), Mike Haynes (Student Wellbeing Leader), Sue Sifa (Head of Inclusion) as well as teachers Bettina Paukner, Sarah Lindsay, Janice Eames, and Amy Raybould as we develop the integration of learning for students from the APY Lands into our year 8-12 sub-school.

Avenues College acknowledges and respects the traditional custodians whose ancestral lands we meet upon. We acknowledge the deep feelings of attachment and relationships of Aboriginal peoples to country. We recognise the many language groups that continue their connection to land, waters and culture across Australia and we pay our respects to their elders, past, present and emerging.

Our staff team includes many on contracts, and I want to sincerely thank a number of teaching and support staff who have provided excellent teaching environments in which our children have been able to flourish this year. In addition to those on term, semester or full year contracts, we are well served by regular relief teaching staff – a big thanks to Tasso Bouyessis (who has won a teaching position in another school for 2021), Rob Marotta, Chris Nynycz, Julie Retallick, Zoe House, Maria Chicciello, Chelsea Wymond, and Micah Elder.

While many of these people may be back with us in 2020, I want to recognise the significant number of our team that are waiting to hear about their contracts for next year, and to thank them sincerely for the contributions they have made to Avenues College this year.

- To all of our permanent staff members, and those on long-term contracts, thank you for the valuable contribution you make to our school community.
- To members of our Governing Council and the many volunteers who support our work in 'invisible' ways, THANKYOU!

FIRST DAY ARRANGEMENTS

Government schools recommence on Wednesday January 27, 2021.

Starting times are as follows:

Preschool, Primary children, **All Year 8 and Year 12 students**, and **NEW** Students in Years 9 -11, will meet in the McKay Ave Gym at 8:50am

Meet Gary

A group of year 9s were returned from a school camp at the end of Term 3. The bus pulled into a carpark and they met **Gary** wandering alone, and a long way from any water.

Gary is a small dinner plate sized turtle and the staff and students were now left with an ethical issue of what to do with him. They decided to pack Gary into a large drinks esky and add water so that he wouldn't be dehydrated on the journey home.

Once safely at Avenues College he was delivered to Science staff by the PE staff.

Now Gary was clearly too big for our turtle aquarium so he was taken on a holiday to a local home. His new accommodation was a large tub to spend some time recovering from his adventures safe and sound. He did manage to get stuck again!! ...in a vertical position against the side of his tub needing to be rescued again.

Here is Gary checking out his holiday destination.

While Gary was learning about his new home there were a few calls made to find him a good home. Success was had when Fish Paradise of 466 Payneham Road, Glynde were happy to have Gary. So his holiday ended up being just an overnight stay.

Gary was delivered in his drinks esky, it really was a great way to move a turtle because the lid stopped the splash!

Though the Fish Paradise staff were a little concerned about Gary's overnight accommodation, I assured them he had a nice large tub overnight. They were confident of finding him a new home with a pond very soon!

PADDLE ON Gary!

of term
Thankyou!**

At the beginning of December we were able to host a small farewell morning tea for one of our long standing, dedicated and faithful Volunteers, Mr Bob Mack.

Bob has been a familiar face about our McKay Ave site for over eight years, diligently organising and caring for our community garden, Mara Wardli.

His skills, knowledge and willingness have created a space which our students are able to use for their learning and also build relationships with the wider local community.

Bob will be marrying soon and we wish him all of the very best as he undertakes new adventures in his life.

Many thanks Bob !

**BIG congrats to James
Keynes who was successful in
being accepted into the
Basketball Academy and also
to Moesha who was successful
in being accepted into the
Womens Aboriginal AFL
Academy!**

Heads up everyone Our team will be collecting plastic bread tags for recycling next year. Tip Top Bakeries have changed to cardboard tags but other brands have not We would love you to collect any you use over the Christmas break and bring them in to school in the new year to get us started for our 2021 projects.

One of the many things that 2020 and all of its challenges has highlighted for us is the importance of holding the most up to date contact information for parents, caregivers and emergency contacts.

If you have recently changed your contact details (mailing address, phone numbers or email address) or would like to update your Emergency Contacts or your student's medical information, please contact our Front Office staff on 8261 2733 or dl.0906.info@schools.sa.edu.au.

Alternatively you can access a pre-printed form on our website via the following link :
